16. Meal expenses are \$38 for breakfast, \$35 for lunch, \$77 for dinner.

21. The expense for attendance at CES 2017 exceeds the federal per diem rate. The reason for this differential relates to the accommodation requirements for (1) a large group of over 165,000 attendees and (2) easy access to the CES show floor, conference sessions and meeting space. The expense for meals exceeds the federal rate due, in part, to a dinner that is being offered as part of the convention and available to many attendees other than Congressional members and staff. The government invitees are receiving the same meal as those other attendees. Las Vegas hotels are at capacity during CES. This lodging rate is available to all CES attendees and was the best available negotiate rate for this property.
